

Oral Sessions 1

Thursday, May 23, 2013 11:00-12:30

01.1 Strategies to enhance patient empowerment

A preoperative education intervention to reduce anxiety and improve recovery among Chinese cardiac patients: a randomised controlled trial

Ping GUO, Antony ARTHUR, Linda EAST

A Patient Empowerment Model of Care for Cancer Patients in NTUH

Chang-Chang TSENG, Yu-Ting Yang, Yih-Ru Cheng

The concept of Bodyknowledging as a basis for patient empowerment in health care.

Kristin HEGGDAL

Mindfulness-Based Stress Reduction (MBSR) Alleviate Mental Fatigue After Traumatic Brain Injury or Stroke

Birgitta JOHANSSON, Helena BJUHR, Lars RÖNNBÄCK

Motivational Interview as a tool for empowering the patient and health care staff

Åsa WETTERQVIST, Astri BRANDELL EKLUND

01.2 Reducing language barriers & improving migrant's access to healthcare

Identifying and Preventing Medical Errors in Patients who Experience Language Barriers when Receiving Care

Joseph BETANCOURT

Healthcare Consortium Project Removes Language Barriers and Improves Equity

Elizabeth ABRAHAM

Tackling Inequity in healthcare addressing Comprehensive Health and Social Care for Migrants

Elvira MÉNDEZ

The complexity of healthy ageing in the context of migration: experiences from professionals

Qarin LOOD, Synneve DAHLIN IVANOFF, Lisen DELLENBORG, Lena MÅRTENSSON

Developing a Greater Understanding of Social Determinants of Health to Promote Health of Children and Families through Cultural Competence Education

Karen S APPLETON, Karima KARMALI

"I know that there is a law. I don't know anything else" Foreign users' and health operators' experience with immigration and health.

Sara BARSANTI, Giulia CAPITANI, Gavino MACIOCCO, Sabina NUTI

Oral Sessions 1

Thursday, May 23, 2013 11:00-12:30

01.3 Comprehensive approaches towards workplace health promotion in healthcare

The LeanHealth project: Merging occupational health, safety and health promotion with lean: an integrated systems approach

Anna BERG, Susanne UNGER, Ulrica VON THIELE SCHWARZ, Henna HASSON, Hanna AUGUSTSSON, Helena HVITFELDT FORSBERG, Per TILLGREN, Monica NYSTRÖM, Terese STENFORS-HAYES

The Perspective of Organizational Health for Staffs in Health Promoting Hospitals

Meng-Chien Leslie Lee

Leadership and the implementation of a health promoting workplace for nurses

Robert BILTERYS, Nicole DEDOBBELEER

Enhance physician health through survey feedback seminars

Ann FRIDNER, Karin SCHENCK-GUSTAFSSON

Resilience of workplace: focus on psycho emotional wellbeing

Cristina AGUZZOLI, Marco BERTOLI, Luisa GIACOMINI, Loredana MACERA, Raffaele ZORATTI, Claudia VIDALE, Eleonora CROCI, Sara SANSON, Luisa DUDINE, Lucia PELUSI, Virginio BEACCO, Silvia MASCI, Patrizia PORTOLAN, Luciano CICCONE, Simonetta MICOSSI, Maria PERESSON, Marco RIZZO, Daniele RIVA, Anna DELLA VEDOVA, Mario ROBOTTI, Nicola DELLI QUADRI

Preventing and Managing Healthcare Staff Conflict and Violence in Taiwan

Mariola STAWASZ

01.4 Measuring and improving health literacy

What can hospitals learn from the Health Literacy Survey in Europe (HLS-EU) concerning patients' difficulties with using hospital services?

Jürgen PELIKAN, Florian RÖTHLIN, Kristin GANAHL

Improving Patient Comprehension of Discharge Instructions by a Patient Oriented Hospital Discharge Procedure

Alberto BAGNULO, Luigi FRANCHI, Maria Catena MACALUSO, Antonio CHIARENZA

Evaluation of Patient Education Materials (PEM) for patients with colorectal cancer undergoing elective surgery – a combination of three methods.

Frida SMITH

The Evaluation of the Efficacy of the Diabetes Conversation Map Education to Patients with the Type 2 Diabetes in Healthcare Management

Li-Chu Lu, Li-Yu Tsai, Li-Ming Wang, Chia-Ling Chang, LING-YU HUNG, chun-chen chou, Pei-Li Chang, Jhi-Chyun Tsou, Hon-Kwong MA

Group and individual counseling to Mountainous Aboriginal Population with Post-traumatic stress after natural disaster in Southern Taiwan

Oral Sessions 1

Thursday, May 23, 2013 11:00-12:30

Shu Fang LU, Shu Jyuan LIN, Hwei Jhen SYN, Ling Ling LEI, Kwong Leung YU

O1.5 Symposium on HPH and Age-Friendly Health Care

O1.6 Symposium: Implementation of National Guidelines for Methods of Preventing Disease

Implementation of National Guidelines for Methods of Preventing Disease – Experiences from a joint venture between National Agencies, National societies for Health Professionals and the Sweden HPH Network

Margareta KRISTENSON

O1.7 Meeting of HPH Taskforce Tobacco Free United

What did we do and what was achieved? Invitation to the Final Open Meeting of the Taskforce Tobacco Free United (TFU)

Ann ORIORDAN, Sibylle FLEITMANN, Christa RUSTLER, David CHALOM, Esther CARABASA

Advocacy - engagement of professionals in tobacco control

Esther CARABASA

Good Practice – implementing tobacco control policies in health care services

Christa RUSTLER

Evaluation – Policy implementation, performance and key Indicators

David CHALOM

O1.8 Workshop: Addressing the best research method for Health Promotion Interventions

Workshop: Addressing the best research method for Health Promotion Interventions

Charvonne HOLLIDAY, Diana SCHROEDER, Trina THOMPSON, Matt MASIELLO

Oral Sessions 2

Thursday, May 23, 2013 13:30-15:00

O2.1 Providing age-friendly healthcare

Age-friendly health care – health promotion for older patients

Joe TRAVERS, Bernie MCCRORY

Partnership model for a healthy ageing

Therese RÄFTEGÅRD FÄRGGREN, Anna JANSSON

Senior Friendly Hospitals in Ontario, Canada: The Development of Accountability Indicators for Quality Improvement in Delirium and Functional Decline

Ken WONG, Ada TSANG, Rhonda SCHWARTZ, Barbara LIU

Age-Friendly Hospital staff of the influencing factors of the knowledge and attitudes of the elderly

Ying-Ling KUO, Meng-Tien WU, Ling-Yu HUNG, Pei-Li CHANG, I-Ju CHEN

Health promoting long-term care – a pilot project in Vienna

Martin CICHOCKI, Ursula HÜBEL, Sascha MÜLLER, Karl KRAJIC

O2.2 Health promotion in psychiatric health services and institutional care

Standards for mental health promotion in psychiatric settings: development and validation of a self-assessment tool

Renata GIL, Hartmut BERGER

Key working Quality Improvement initiative in Community Mental Health Services in South East Ireland

Lorraine MURPHY

Positive mental health - from what to how: a health promotion study in psychiatric care

Nina Helen MJØSUND, Hege Forbech VINJE, Monica ERIKSSON, Geir Arild ESPNES

In what direction should we go to promote health in mental health care?

Petra SVEDBERG

A psychoeducational group program for refugee patients in psychiatric treatment

Manuel FERNANDEZ

The young child in hospital treatment-a historical film document

Rainer PAUL

Oral Sessions 2

Thursday, May 23, 2013 13:30-15:00

O2.3 Linking health promotion and quality management

The National set of indicators of quality in hospitals

Lydie CHAROUZOVÁ, Milena KALVACHOVÁ

Addressing implementation challenges when developing clinical practice guidelines – A case study of the Swedish national guidelines for methods of preventing disease

Linda SUNDBERG, Therese KARDAKIS, Rickard GARVARE, Monica E NYSTRÖM

The Development and Validation of Clinical Health Promotion Tools: Contributions to Health 2020 through a Patient-centered Clinical Intervention

Charvonne HOLLIDAY, Virginia ARIETTI, Marquis HAWKINS, Ada PLUDA, Alessandro BRIONI, Denise COLOMBO, Emanuele D'AGATA, Susanna FACCHETTI, Valeria GRETTTER, Maria Cristina DE LEONARDIS, Anna ZANARDINI, Annalisa GENNARI, Andrea BRIVIO, Matt MASIELLO, Sebastiano GUARNACCIA

Assessing the implementation of a health promoting birthing center (HPBC) in Montreal

Lynda REY, Nicole DEBOBBELEER, Astrid BROUSSELLE

Using the Expanded Chronic Care Model in an International Initiative to Address the Chronicity of Pediatric Asthma in a Clinical Setting

Sebastiano GUARNACCIA, Charvonne HOLLIDAY, Virginia ARIETTI, Marquis HAWKINS, Ada PLUDA, Alessandro BRIONI, Denise COLOMBO, Emanuele D'AGATA, Susanna FACCHETTI, Valeria GRETTTER, MariaCristina DE LEONARDIS, Anna ZANARDINI, Annalisa GENNARI, Andrea BRIVIO, Matt MASIELLO

O2.4 Networks of Health Promoting Hospitals and health Services

How can the effectiveness of health promotion networks in the settings approach be defined and researched? Results from Health Promoting Hospital (HPH) networks

Christina DIETSCHER, Jürgen PELIKAN

Evaluation of the strategic plan 2011-2014 of the Catalan HPH Network after two years of implementation

MANEL SANTIÑÀ, DOLORS JUVINYÀ, ROSA SIMÓN, MARIA BRIANSÓ, ROCÍO IBÁÑEZ, JAUME MONTEIS, ANA CAROL PÉREZ, MÒNICA BALLESTER, NENÉ ROMERO, MARIA JOSEP PLANAS, NORA FIGUERAS

Outcome of the 1st HPH Seminar in Japan and Practice Afterwards -A Historical 1st Step toward National HPH Network in Japan

Masahiro ITO, Akihiko TAMURA, Mitsuhiro FUNAKOSHI, Norihiko HATA

Peer review on Health Promoting Hospitals-members health orientation

Mats HELLSTRAND

A Dying HPH-Network Revived - The new collaboration of the Health Promoting Hospitals and Health Service with a highly professional network of healthcare industry

Klaus HÜLLEMANN, Anja Sophia MIDDENDORF

Oral Sessions 2

Thursday, May 23, 2013 13:30-15:00

O2.5 Alcohol interventions in hospitals – Final Task Force workshop

Alcohol interventions in hospitals – Final Task Force workshop

Sverre NESVAAG

O2.6 How can we create empowerment in the interaction between professionals and patients in clinical settings to reach increased health outcomes?

How can we create empowerment in the interaction between professionals and patients in clinical settings to reach increased health outcomes? From theory to practice

O2.7 Smoking Cessation Interventions: Effectiveness research

Smoking Cessation Interventions: Effectiveness research

The needs and challenges for effectiveness research in Europe

Luke CLANCY

National Effectiveness Research in Smoking Cessation Interventions

Mette RASMUSSEN, Niels FIBÆK BERTEL, Hanne TØNNESEN

O2.8 HPH and Environment Symposium 2013

HPH and Environment Symposium 2013

Oral Sessions 3

Friday, May 24, 2013 11:00-12:30

O3.1 Developing tobacco-free health services

Integrated Smokefree Hospitals

Andrea DICKENS, Laura RIDOUT

Preoperative smoke abstinence as chance to reduce postoperative complications

Hermann SCHMIED, Florian RÖTHLIN

Smoking in vehicles is lower than mobile telephone use while driving, but is socially patterned: a survey in Dublin City, Ireland 2012

Irene GILROY, Nicole DONNELLY, Wayne MATTHEWS, Kirsten DOHERTY, Greg CONLON, Anna CLARKE, Leslie DALY, Cecily C KELLEHER, Patricia FITZPATRICK

A comprehensive and systematic approach to identifying and referring hospital and mental health patients on to stop smoking support - the NCSCT Stop Smoking Referral System

Liz GILBERT

O3.2 Supporting mental health promotion in community settings

Child and adolescent psychiatry in schools

Jo Magne INGUL, Jan Egil WOLD, Vibeke BJØRUM, Øyvind ALEXANDERSEN

The Swedish National Alcohol Helpline – characteristics of callers at baseline and results at 12 months follow-up.

Kerstin DAMSTRÖM THAKKER, Nelleke HEINEMANS, Tuula AINETDIN

The amplifying effect of Antonovsky's sense of coherence in psychoeducational multi family groups for schizophrenia. A prospective field study.

Walter GASSMANN, Hartmut BERGER

Increased self-awareness in the process of returning to work

Karen Therese Sulheim HAUGSTVEDT, Ulrika HALLBERG, Sidsel GRAFF-IVERSEN, Marit SØRENSEN, Liv HAUGLI

Saving a Life in Community, Workplace and School by BHC-5L, a New Model Based on Eastern Asia Culture.

Chun-Kai FANG, Yi-Chen Chiang, Hsueh-Wen Hsiao

Oral Sessions 3

Friday, May 24, 2013 11:00-12:30

O3.3 Considerations on the application and effectiveness of health promotion in healthcare in different contexts

What would be necessary for hospitals to be more active in health promotion?

Eric DE ROODENBEKE

Health promotion or health care – a profitable interaction?

Inna FELDMAN, Mats HELLSTRAND, Filipa SAMPAIO

Pay for performance Changes in lifestyle, primary care in Västernorrland

Johannes DOCK

The use of a health performance model in health promoting organizations

Nicole DEDOBBELEER, André-Pierre CONTANDRIOPOULOS, Robert BILTERYS

Intervention in primary care – impact of socioeconomy and ethnicity on lifestyle changes and risk factors

Maria WALLER, Tine HÖGBERG

O3.4 Linking HPH and health literacy

How do the 10 attributes of health literate organizations relate to the 18 core strategies and 5 standards of Health Promoting Hospitals and Health Services (HPH)?

Jürgen PELIKAN, Christina DIETSCHER

O3.5 Workshop of the HPH-Taskforce for Children and Adolescents in and by hospitals

From Rhetoric to Realisation - Promoting the Health and Human Rights of Children

James ROBINSON

O3.6 How can health services use patient-reported outcome measurements to promote better health?

How can health services use patient-reported outcome measurements to promote better health?

Oral Sessions 3

Friday, May 24, 2013 11:00-12:30

O3.7 Workshop of the HPH-Taskforce for Migrant-friendly and Culturally Competent Hospitals

Development of the HPH-TF MFCCH Equity Standards in Health Care for Migrants and other vulnerable Groups

Antonio CHIARENZA

Equity in healthcare policies and programmes

Conny SEELEMAN, Marie-Louise ESSINK-BOT

Equitable access and utilisation of health services

Bernadette Nirmal KUMAR, Christopher LE

O3.8 Health Promotion in Complex Interventions

Computerized alcohol screening and intervention in emergency or hospital settings

Tim NEUMANN, H KRAMPE, LF KERPER, E WEISS-GERLACH, C SPIES

Interventions for preoperative smoking cessation

T THOMSEN, N VILLEBRO, AM MØLLER

Physical exercise and postoperative outcomes

PR NIELSEN, Hanne TØNNESEN

Scand-Ankle: Alcohol Intervention in Acute Surgery

J WEBER, B PEDERSEN, K OPPEDAL, L EGUND, H TØNNESEN

VIP (Very Important Patient) project: Health Promotion for Alcohol and Drug Abusers

K HOVHANNISYAN, E SKAGERT, K THORNQVIST, M OHLSSON, MM WIKSTRÖM, H TØNNESEN

Oral Sessions 4
Friday, May 24, 2013 13:30-15:00

O4.1 Health promotion for children and adolescents in and by health services

Youth Friendly Hospital Model

Kjersti Sirevåg WILHELMSEN

Improving child health promotion practices in multiple sectors – outcomes of the Swedish Salut Programme

Kristina EDVARDSSON, Anneli IVARSSON, Rickard GARVARE, Eva EURENIUS, Marie LINDKVIST, Ingrid MOGREN, Rhonda SMALL, Monica E NYSTRÖM

Facilitating Implementation of Child Development Programs

Anna WESTERLUND, Rickard GARVARE, Eva EURENIUS, Anneli IVARSSON

An educational counselling group-programme for parents of children with disabilities

Karen Therese Sulheim HAUGSTVEDT, Liv HAUGLI, Sidsel GRAFF-IVERSEN

Influence of Pets on Social Competence of Children

Viktor Enrico KACIC, Frank ZIMMERMANN

SOPO – An Engaging Communication for a Life Long Practice of Handwashing

Suleman MALIK

O4.2 Improving equity in healthcare for socio-economically vulnerable groups

Health care partnerships: reducing barriers to health care in vulnerable areas

Ann EKBERG-JANSSON, Henry ASCHER, Ida WERNERED, Vania RANJBAR

Measuring Equity: Collecting patient demographic data in Toronto hospitals

Marylin KANEE, Caroline BENNETT-ABUAYYASH, Branka AGIC, Anthony MOHAMED

Are sexual health and tobacco health improvement interventions delivered with sensitivity to inequalities in Scottish hospitals?

Lorna SMITH

A learningproject - Care on equal conditions

Hanna WALLIN, Marianne GRANATH

What is killing our kids, Risk Reduction in Vulnerable Groups

Jana MULLEN, Julianne MULLEN

Applying the capabilities approach to migrant health and health care

Christalla PITHARA

Oral Sessions 4

Friday, May 24, 2013 13:30-15:00

O4.3 Using patient-reported outcome measures in healthcare

Patient participation in Rehabilitation Questionnaire (PPRQ)

Jeanette LINDBERG, Lars-Olof PERSSON, Charles TAFT, Margareta KERUTER

Should we collect point-of-contact feedback? Perspectives and experiences of patients, staff, and volunteers at an inpatient rehabilitation facility.

Stephen GILL, Pam DOLLEY

Determinants of Quality of Life in HIV patients. A pilot study.

Sophie DEGROOTE, Dirk VOGELAERS, Peter VERMEIR, An MARIMAN, Ann DE RICK, Beatrijs VAN DER GUCHT, Filip VAN WANZEELE, Jolanda PELGROM, Dominique VANDIJCK

Influencing Self-rated Health Among Adolescent Girls With Dance Intervention

Anna DUBERG, Margareta MÖLLER

Hospital Food Service: Development of a 9-day Vegan Menu for Postpartum Women and Evaluation of Patients' Satisfaction

Fang-Ching HU, Yu-Fang LIN, Chin-Hui WU

O4.4 Addressing health risks and lifestyle development at the workplace

Addressing the benefits of a physical activity maintenance program among healthcare staff: The MUHC Wellness Challenge

Charles SOUNAN, Melanie LAVOIE-TREMBLAY, Normand RINFRET, Kara MARTIN, Genevieve LAVIGNE, Guylaine CYR

The influence of health promotion on fitness status in hospital workers: Results of three- year physical fitness examination in Cardinal Tien Hospital Yung Ho Branch

Ching-Yi CHEN, Meng-Tien WU, Chun-Chen CHOU, Pei-Li Chang, LING-YU HUNG, Jhi-Chyun Tsou, Hon-Kwong MA

Healthy weight loss by ourselves - Hsinchu, Taiwan medical institutions staff weight loss program

Chiang CHIEN- WEN, Yang JUNG-CHENG, Chen PSUNG-PO, Chu YU-YING, Lai YUN-FENG, Huang MEI-LUAN, Chen MENG-KAN, Li YING-YING

Gender and Department Difference in the Prevalence of Metabolic Syndrome among Hospital Employees

Wei-Chung YEH, Tien-Shao HUANG, Kuang-Hung HSU, Hai-Hua CHUANG

Effect of using manual handling tools to prevent low back pain in nurses

Mitsuhiko FUNAKOSHI, Kazushi TAODA, Teruyo KITAHARA, Hiroji TSUJIMURA, Chizuko WATANABE, Hiroko NISHIYAMA

Health promotion by integrating with employees' family: an example from a local hospital

Chu Yu-ying, Li Ying-Ying, Chiang Chien Wen, Tsai Jui-Yuan, Wen Ru-yuh, Chen Meng-Kan, Lai Ho-Hsien, Yang Ting-Yin, Yang Kuen-cheh

Oral Sessions 4
Friday, May 24, 2013 13:30-15:00

O4.5 Approaches towards public health and community health promotion

Public Health and Disability

Helena HOLMGREN

The Health lift in the County of Östergötland

Jolanda VAN VLIET, Margareta KRISTENSSON

Evaluating the Resource Network Platform Model in Community Health Promotion

Ta-Chuan HUNG, Ching-Yao WEI

"Androna Giovani" Project

Antonina CONTINO, Eva PERIZZOLO, Mimma ROMANO, ELISA RUMIEL, Silvia PALLAVER

Luoghi di Prevenzione: the holistic approach in training on strategies for bringing about change in high risk lifestyles

PAOLA ANGELINI, SANDRA BOSI, ANTONIO CHIARENZA, BENEDETTA RIBOLDI

Key to the effective implementation of age friendly community: a case of a semi-urban area in Taiwan

Yi-Ling LAI, Pin-Yi CHANG, Ching-Yuan CHEN, Ming-Nan LIN, Chin-Lon LIN

O4.6 Promoting health through culture and design

Can cultural interventions improve self-knowledge, stress management and health?

Marianne TROGEN-HAGMAN, Lisa EDÉN

A Comparative Study of Intensive Care Patient Rooms

Michael APPLE, Maria NORBERG-SJÖSVÄRD, Catherine ERIKSSON-RITZÉN, Lena VÄNERÖ, Marina HENRIKSSON, Peter FRÖST

Cultural activities -a tool for wellbeing

Helle NOORLIND BRAGE, Maria LINDERSTRÖM

Ubuntu - an exhibition using culture and design to inspire Health Care Professionals to work with Person-centred care

Jeanette TENGGREN DURKAN, Irma LINDSTRÖM

Going Green: Increasing Healthy Choices at Alfred Health

Kirstan CORBEN, Andrew WAY

Oral Sessions 4
Friday, May 24, 2013 13:30-15:00

O4.7 Applying standards for health promotion to hospitals and health services

Implementation of HPH standards: the results of external evaluation in Estonia

Kaja PÕLLUSTE, Eda MERISALU, Mari PÕLD, Lagle SUURORG, Tiiu HÄRM

WHO/HPH Project

Milena KALVACHOVÁ, Lydie CHAROUZOVÁ

Evaluation Standards on Health Promoting Hospitals related with the accreditation criteria of the Catalan hospitals system

Dolors JUVINYÀ, Manel SANTINYÀ, Rosa SIMÓN, Carme BERTRAN, Albert NOGUÉ, Verónica CRUZ, Rosa SUÑER, Nora FIGUERAS

Annual Swedish members self assessment of health orientation

Mats HELLSTRAND

An Approach to Harmonizing the Quality Standards and the 5 HPH Standards

Chiara RAFFELINI, Robert GRANGER, Jeanne-Évelyne TURGEON

O4.8 Quality Management of Health Promotion in Hospitals and Health Services: The WHO HPH Recognition Project

Project description and status: The WHO HPH Recognition Process

Jeff Kirk SVANE, Shu-Ti CHIOU, Hanne TØNNESEN

Mini Oral Sessions 1

Thursday, May 23, 2013 15:15-15:45

M1.1 Clinical health promotion for children and adolescents

A qualitative exploration of paediatric health professional views on talking about lifestyle behaviour change with hospitalised patients and families in an acute setting.

Laura ELWELL, JANE POWELL, DEIDRE KELLY, CAROLE CUMMINS

Involving children in research and innovation processes in the development of digital health promotion intervention

Eva-Lena E INBERG, Petra SVEDBERG, Pontus WÄRNESTÅL, Michel THOMSEN, Jennie STIGMAR, Karin ENSKÄR, Maria ÅKESSON, Jens NYGREN

Empowerment in Clinical Trials on Children

John CHAPLIN, Monika BULLINGE

Teaching medical students about health promotion among children and adolescents- a case study from Romania

MONICA POPA, DANA SARBU, LUCIA MARIA LOTREAN

Type 1 Diabetes Children's Right to have FUN in Taiwan

Biwen CHENG, Chi-yu HUANG, Jie-Ying WU, Jui-Hsiang LIN, wei-hsin TING, yann-jinn LEE

M1.2 Reducing inequalities in healthcare

The approach on Health care services to the Female Genital Mutilation practice according to the therapeutic, prevention and salutogenic models: a Regional Research project coordinated by the Bologna Local Health Authority

Ilaria SIMONELLI, Maria Giovanna CACCIALUPI

Analysis of Stress in an Aboriginal Population in Taiwan: A Prospective Cross-sectional Study

Yu-Chung TSAO, Chih-I HO, Tiing-Soon LING, Jau-Yuan CHEN, Yi-Wen TSAI, Ko-Chen CHANG, Shy-Shin CHANG

The authorization of free or low-cost medical care program

Masaya SHINOZUKA, Kimihiko MATUYAMA, Shinsuke ISHIKAWA, Yasushi MIYAZAKI

The importance of sex-related education for refugee : Improving women's health

YOUNDOK SHIN

Mini Oral Sessions 1

Thursday, May 23, 2013 15:15-15:45

M1.3 Improving age-friendly health policy and health care

An office for elderly health in ministry of health: has it educational approach or not?

Fatemeh RAKHSHANI, Zahra SEPEHRI

Applying Importance-Performance Analysis to Evaluate the Medical Service Quality of a Geriatric Long-term Care

Jiunn-I Shieh, Hsin-Hung Wu, Kuan-Kai Huang

Effect of Comprehensive Geriatric Assessment and Target Physical Fitness in Older Outpatients

Jen-Hung CHANG, Chi-Wen HUNG, Yin-Chi CHIU, Ying-Hua SHIEH

Effects of Yoga Exercise on Body Flexibility and Quality of Life for Middle Aged

Wen-Chi LIU, Yung-Chieh CHING

M1.4 Empowerment for hospital patients

Empowering patients and families to navigate on their healthcare journey

Susan HIMEL, Kara RONALD, Le-Ann DOLAN, Paula GARDNER

Implementing health promoting encounters in Swedish Health care

Anna KULLBERG, Jolanda VAN VLIET, Anna HERMANSEN

Person-centred care facilitates patients' empowerment

Kerstin DUDAS

From informed consent to shared decision

PIETRO RAGNI, ANTONIA NINI, ROSSANA GOMBIA, FEDERICA GAZZOTTI, MAURA BONDAVALLI, DANIELA RICCO', ANTONIO CHIARENZA

Mini Oral Sessions 1

Thursday, May 23, 2013 15:15-15:45

M1.5 Supporting tobacco cessation

Varenicline versus Transdermal Nicotine Patch : A 3-year follow-up in a smoking cessation clinic in Taiwan

Kuang-Chieh HSUEH, Ming-Yueh CHOU, Lee-Fei PAN, Ming-Shium TU, Chia-Chen LIN

Exploring the health promotion model Applying to predict the quit smoking behavior for patient with mental illness

Shuhua SHEN, Miaofen YEN, Hsien-Jane CHIU, Pei-Ching HUANG, Huei-Lan LU, En-Ping SU, Hsiu-Fen HSIEH

Development of the first computer tailored program for smoking cessation from Romania

LUCIA MARIA LOTREAN, MONICA POPA, ROXANA AILOAIEI, DANA SARBU, HEIN DE VRIES

Relapse prevention and counselling training in smoke free hospitals

Luca SBROGIÒ, Laura BELTRAME, Sandro CINQUETTI, Alessandro MANTOVANI, Daniela ORLANDINI, Barbara PELLIZZARI, Simone TASSO

M1.6 Addressing occupational safety and risks of healthcare staff

Taiwan Occupational Safety and Health Management System For Wan Fang Hospital

YEH CHING-I, HSU YI-NEI, HUANG HUI-JUN, XIE YING-HUA

The effect of worksite health promotion program- An example of military hospital in Taiwan

Hsiu-Lan SHIH

Links of health and environmental assessment in physical medicine and rehabilitation division

Sigita SAMUSIENE

Complementary and alternative medicine use in the management of sleep quality among emergency physicians in Taiwan

Tien-Kuei HSU, Malcolm KOO, Yueh-Chiao YEH

Mini Oral Sessions 1

Thursday, May 23, 2013 15:15-15:45

M1.7 Health promotion and quality management

Do health promoting hospitals correspond to the key components of well-functioning health system?

Irena MISEVICIENE, Kristina ZALNIERAITIENE, Daiva ZAGURSKIENE, Juozas PUNDZIUS

The Effects of Case Management on Lifestyle and Readmission Rate in Patients with Heart Failure

I-Yu HSIAO, Chia-Min CHEN, Chih-Wei CHEN, Tin-Kwang LIN, Chiu-Yuan CHEN

Efficacy of Combination of long- and short-acting Erythropoietin in hemodialysis patient

Chen-Sen HUANG, Ya-Ping CHANG, Chiao-Wen CHANG, Hsueh-Li HUANG, Hui-Yen LIAO, Hui-Ying CHUANG, Chen-Hao LI, Jen-Pi TSAI, Ming-Nan LIN

Realist evaluation of a national emergency department pain management improvement program

Scott BENNETTS, Richard OSBORNE

M1.8 Public health & community outreach for health promotion

Study on public interest of Republic of Korea (ROK)-type HPH 'Regional Cardio-CerebroVascular Center'

Hee-Sook KIM, Kun-Sei LEE, Eun-Young SHIN, Hyo-Seon JEONG, Hye-Kyung PARK

Traffic accident, alcohol use, and medical care in northern Thailand

Tawatchai APIDECHKUL

Training mind and body in the park

SERGIO CECHELLA, DANIELA RICCO', MATTEO SASSI, ANTONIO CHIARENZA

Important occupational therapy knowledge for stroke patients and their families

Tzu-Yi WU, Ching-Lin HSIEH

Mini Oral Sessions 2

Friday, May 24, 2013 15:15-15:45

M2.1 Reaching out into the community to promote the health of children and adolescents

Empowering basic school children in health promotion programmes in cape coast metropolis in central region of Ghana

Mercy YAWSON

Good compliance improves the oral health for children developing into the early mixed dentition stage

Kuo-Ting SUN, Shih-Chueh CHEN, Kuan-Ting CHEN, Guan-Hua CHEN, Ya-Chu CHANG

The preliminary experience of implementation of the child injury prevention program in Taipei

Yueh-Ping Liu, Syi Su, Hsueh-Yu WU, Ching-yao Huang, Hsiao-chuan Chiang

Keeping sex in mind: evaluation of an education programme to school students in St. Vincent's University Hospital, Dublin, Ireland

Irene GILROY, Wayne MATTHEWS, Nicole DONNELLY, Anna CLARKE, Frances CONLAN, Greg CONLON, Leslie DALY, Kirsten DOHERTY, Patricia FITZPATRICK, Veronica O'NEILL, Brenda WHITESIDE, Denise COMERFORD, Cecily C KELLEHER

Body perception in female pubertal development: An issue of body and mind

Jolanda VAN VLIET, Nina NELSON

M2.2 Improving health promotion for elderly citizens

Community Health Promotion – An Advocacy of Co-participation in a community located in Southern Taiwan

Mei Chen LIN, Ho Hui TSENG, Li Chen HSIAO, Choo Aun NEOH, Dr. Joseph YU

A Multidisciplinary Program to Promote Successful Aging

Pei-Hsuan WENG, Hsiang-Lin LI, Chia-Lin LO, Yi-Ching CHEN, Hui-Ting HUANG

Effect of a community-based dietary intervention on healthy eating in older adults

Li Ying-Ying, Ouyang Chung-Mei, Chiang Chien Wen, Chu Yu-ying, Lai Ho-Hsien, Hsieh Yu-Ling, Tsai Jui-Yuan, Lai Yun-Feng, Chen Meng-Kan

The effects of health promotion programs on the physical and psychological health of the community elderly women

Ching-Lin Wang, Kuei-Yun Lu, Hui-Ju Yang, Yu-Kuan Chuang

Mini Oral Sessions 2

Friday, May 24, 2013 15:15-15:45

M2.3 Developing tobacco-free healthcare services & supporting tobacco cessation

Tobacco-free Hospital Accreditation and Network Development : Review of two-year implementation of National Experiences

Pei-Hua CHUNG, Wu-Chi HSIEH, Shu-Ti CHIOU

A Totally Smokefree Environment: Improving Clinical and Environmental Management

Kirstan CORBEN, Andrew WAY

Gender difference in smoking cessation program: pilot study from a medical center in Northern Taiwan

Wen-Yun HSI, Chia-Shan WU, Shu-Mei HSU, Shu-Wen CHANG, Shu-Hsun CHU, Chih-Dao CHEN

Population-based study of smoking behavior and smoking cessation among adults in Taoyuan, Taiwan

Wu-Hsiung CHIEN

M2.4 Promoting health-enhancing physical activity

Embedding a national physical activity pathway across an entire healthcare system

David WHITE, Lorna SMITH

Physical activity on prescription. Implementation of a method in primary care.

Stefan LUNDQVIST, Mats BÖRJESSON, Maria LARSSON, Lars HAGBERG, Åsa CIDER

Adherence and impact of Physical Activity on Prescription, (FaR®), in patients with chronic heart failure.

Cecilia EDSTRÖM

Physical activity pattern in chronic inflammatory arthritis - still lots to do!

Emma HAGLUND, Karina MALM, Ann BREMANDER, BARFOT STUDY GROUP, SCANSpA STUDY GROUP

M2.5 Measuring patient-reported outcome measures and health literacy

Multilingual patient reported outcome measure development: the QOLISSY instrument.

John CHAPLIN, Michael POWER, Emmanuelle ABECASSIS-MIMOUN, Michael HERDMAN, Julia QUITMANN, Hartmut WOOLMAN, Monika BULLINGE

An Arrhythmia-Specific questionnaire in Tachycardia and Arrhythmia - ASTA -

Ulla WALFRIDSSON, Anna STRÖMBERG, Kristofer ÅRESTEDT

Measuring health literacy in people with chronic and complex health conditions – do patient and clinician perspectives agree?

Stephen GILL, Roy BATTERHAM, Rachele BUCHBINDER

Mini Oral Sessions 2
Friday, May 24, 2013 15:15-15:45

M2.6 Improving healthy lifestyles of healthcare staff

Strategies and Analysis of the Physical Fitness among Hospital Staffs

Tien-Mu HSIAO, Tang-Tat CHAU, Sung-Chih TSENG, Shih-Tien HSU, Huan-Cheng CHANG

Liking Hospital Vegetarian Meal

Cheng-yang Chiang, Chang-an Tsao, Yu-Fang LIN, Jing - Hui Wu, You-Chen Chao

Hospital-based Health Promotion through Healthier Food Choices

Christine ONG, Shiling TAN, Chengsi ONG

Workplace Health Promotion in Swedish Healthcare

Berit NYSTRÖM

M2.7 Using new technologies in health promotion

Taipei Smart Medical Package Experience of A Telehealth Model

Yun Chen SU, Mei-Ju CHEN

E-health self-monitoring improves patient participation and together we develop the organisation around the patients

Annika ALVEFLOO, Britt-Marie ZAMAN

Development of a mobile phone self-report system for persons with hypertension

Ulrika BENGTTSSON, Karin KJELLGREN, Stefan HÖFER, Charles TAFT, Lena RING
